

It's your PPQ

From Coolangatta to Cape York, Queensland is one big tapestry of mums, mechanics, Maroon supporters, surfers, singers, soldiers and so much more. Personalised Plates are a way to celebrate each and every one of us.

We love that every personalised plate has a character behind it and a story to tell. We've already helped Queenslanders tell thousands of stories so far, and we can't wait to help you tell a thousand more.

With as many plates as there are Queenslanders, it's your PPQ.
